gorgeous,” Councilor Gilbert said.

The Tulsa Fraternal Order of Police is pleased to be a sponsor of each of these events.

“We will be providing a light breakfast and lunch prior to the events. The FOP is excited to offer the public a great opportunity to not only meet your councilor and enjoy some food, but also join in keeping Tulsa looking great,” said President Clay Ballenger of the Tulsa FOP.

“Please join us on June 8th to help clean up the parks. Many of us enjoy our parks every day, but we need to take a couple of hours to keep it safe and clean for all of us. I am thrilled to invite District 2 to help me in making a difference for West Highlands Park,” Councilor Cue said.

About Tulsa FOP - The most important function of officers is to work with and within their cities to improve crime fighting. The Tulsa FOP helps the professional officers have input into the long-term crime fighting needs of their community in the face of normal political turn over.

The FOP also has a second general function that includes trying to make certain that the political winds do not let the salaries, benefits, and basic working conditions of the police officers fall too far away from a reasonable level.
